How to Earn Points?

There are several ways to receive points in the program. They are earned by engaging with AD Mortgage, including closing loans, attending training webinars, and connecting with us.

Close Loans Faster & Earn Extra Points

Close Loans

Closing loans is the primary way to earn points. Each successful loan closing earns a base number of points credited to your ADvantage account.*

Faster Clear-to-Close (CTC) Timelines

Earn extra points for faster loan funding. The quicker a loan reaches CTC status, the more additional points you will receive.

Reduced Underwriting (UW) Touches

Maximize your point earnings by minimizing underwriter file reviews. Receive additional points for fewer UW touches during the file review process.

Self-disclosures

Complete your Initial Disclosure package to earn extra points for your expertise.

* Your rewards for closed loans are sent to you automatically each month.
