

Down Payment Assistance Programs

Overview:

Down payment assistance (DPA) can take a variety of forms: gift funds, grant money, secured loans (hereinafter referred to as Community Seconds) and unsecured loans. Down payment assistance programs are used to provide funds for down payment, closing costs and/or prepaids. Please review the Down Payment Assistance Programs for full details. The programs listed below have been reviewed and approved for use with a mortgage with A&D Mortgage, LLC.

Program must be from one of the following: Government Agency, verifiable nonprofit agency (501(c)3 letter required), or employer. Funds may only be used for down-payment and closing costs unless otherwise noted. No cash back to the borrower is allowed. All documents must be received at one time; otherwise, we will not be able to complete our review. Programs are eligible for 12 months at which time updated documents must be submitted unless program guidelines indicates an earlier closure date of funds. All programs are reviewed for compliance only. A & D Mortgage, LLC does not endorse, fund or underwrite any grant programs. Any lender participation required by the program would require the broker/correspondent's approval for participation.

Approved Down payment assistance programs have various expiration dates depending on the program stipulations. If the program will expire prior to the funding date, an updated Down Payment Assistance Submission Checklist must be submitted.

Community Seconds:

Community Seconds transactions are financing for structuring affordable housing. Partnerships between lenders, non-profit organizations (other than credit unions), government entities and employers to aid qualified home buyers. Community Seconds may not be eligible behind a first lien with Mortgage Insurance. Refer to the Mortgage Insurance guidelines for additional information and possible overlays. Community Seconds are not eligible with an FHA 203(k) first lien product.

Unless otherwise noted in the comment section below, a Note and Mortgage/Deed of Trust will be filed as the security instruments. A government agency does not require the Community Second to be on a separate Closing Disclosure. However, if a Non-Profit agency charges anything other than credit counseling and recording fees, a separate Closing Disclosure is required. A copy of the lien documents and Closing Disclosure for the Community Second are required for the secondary lien in the closing package submitted to A&D Mortgage, LLC. Any Community Second with Shared Equity and Resale and/or Income restrictions are not eligible with a Fannie Mae first lien due to the requirement for FNMA Form 2200. Any Community Second with Shared Appreciation requires SFC 176 if paired with a FNMA first lien.

- For Refinances with existing Community Seconds, a copy of the Original Note and the Subordination Agreement is required for review.
- Please include the Borrower Name and Loan Number with your request.

Gifts/ Grants:

A Gift or Grant program requires no lien or deferred payments. If the approval states a lien or retention agreement will be taken on the property (even if all payments are deferred) the program will require the documents to be reviewed under the Guidelines for Down Payment Assistance Programs. Fees must be reasonable, and program must provide a tangible benefit to the buyer. Funds provided may not be from any party that benefits monetarily from the transaction, nor may the grantor be reimbursed by anyone benefiting from the transaction (Seller, Realtor, Builder, Broker, etc.)

A completed Gift/Grant letter must be obtained prior to close. The letter must show the grantors name, the name of the recipient, subject property address, and the dollar amount of the gift/grant. For Individual Development Accounts (IDA) programs, the funds the borrower has saved is input as borrower own funds, the matching funds provided are the grant funds. No cash back is allowed when using gift/grant funds.

- Refer to the Down Payment Assistance Submission Checklist and Guidelines for Down Payment Assistance Programs for additional details.
- Submit all required documentation via email to dpa@admortgage.com
